

# Food Nation Radio

## with Elizabeth Dougherty

*"This is NOT your typical food show"*

- \* Food news and information about the foods they eat and take home to their families.
- \* Interviews with award-winning chefs, restaurant owners, and food safety experts
- \* Listeners are shown how easy it is to cook fresh, organic, healthy foods.
- \* Elizabeth Dougherty is a writer, trained chef, and an award-winning talk show host.
- \* Tips and secrets about dining out
- \* In a twist, listeners hear what servers have to say about customers.

Food Nation Radio was on the forefront of presenting expert guests with vital information about GMOs, at a time when no one was talking about or even knew about the subject.
